Industrial Emissions Directive published

On 17 December 2010, the Industrial Emissions Directive (IED) was published in the Official Journal and entered into force on 6 January 2011. The Directive as published is available here: <http://eur-lex.europa.eu/LexUriServ/LexUriServ.do?uri=OJ:L:2010:334:0017:0119:EN:PDF>.

CEMBUREAU's position on the IED and its impact on the cement industry can be found in the July/August 2010 editorial:
